[**SETTING**]

The time is now. The day is here.

[It's a *les mis* reference. Get it?]

[Set in the present, but written in 2009...so expect flip-phone pop culture, Broadway deep cuts, and big 'early 2000s gay internet' energy.]

[**RUN TIME**]

90 minutes with no intermission.

[Check out the *Little Shop of Horrors* bathroom; they're my favorite.]

THANK YOU TO OUR SPONSORS!
